Forsta Plus
HX Certified

Maximize the potential of Forsta with Forsta Plus HX certification

Delivering on your potential as an implementation professional takes experience and effort. With the Forsta Plus HX certification program, you're equipped to deliver insights that drive action and improve business performance. Learn the ins and outs of the platform to design and implement best-in-class research or CX studies.

Gain your platform understanding

PRICING: Varies based on the chosen learning method

LEARNING COURSES: Survey Designer Essentials, SmartHub Essentials, Studio Designer Essentials

ESTIMATED STUDY TIME: 5 – 12 hours

Learn about:

- Survey Designer, Forsta's powerful platform for gathering feedback, and prove your understanding of creating and deploying tailored web surveys.
- Explore how to use SmartHub to combine data from multiple surveys, and then bring in data from external sources for reporting purposes.
- Become proficient in using Studio Designer to create visually appealing and engaging dashboards.

Choose from two learning methods to suit your learning style

Self-paced:

- Learn at your own pace, anytime from any location
- Flexible scheduling to suit global teams
- Engaging quizzes and videos for an enjoyable learning experience

Ideal for existing clients and programmers with prior Forsta Plus experience.

Instructor-led:

- Real-time guidance and instruction
- Collaborative workshops for team learning
- Interactive sessions fostering a dynamic learning environment

Perfect for new clients and programmers with minimal Forsta Plus experience.

Get certified

PRICE: \$300

CERTIFICATION REQUIREMENTS: Completion of learning courses and over 40 hours of platform usage.

DETAILS: Conducted online, directly through the Forsta Plus HX platform. Full details will be emailed to you on your preferred examination date. To pass the exam, you will be expected to achieve a minimum passing score of 80% in these areas.

Program implementation: Demonstrate your platform expertise by executing a comprehensive, fully branded end-to-end program, emphasizing one of the specific areas tasked for your assignment.

Examination questions: Answer 25 questions on platform usability and best practice.

Earn your certificate

Upon passing the exam, you will receive:

- Certificate of achievement
- Certification badge
